Plain Language

- Plain Canada "… promotes plain language in both official languages to build a community of plain language professionals and advocates."
- Center for Plain Language "… helps government, non-profit, and business organizations create findable, understandable, and useful content."
- Clarity International "… is the largest organization of its kind, with more than 650 members in 50 countries."

Grammar and Spelling

- For Canadian spelling and definitions, use the *Canadian Oxford Dictionary*.
- For grammar and usage, use *Editing Canadian English*.
- To check grammar and style, use the *Chicago Manual of Style*.
- For metric measurements, use the *International System of Units*.

Accessibility and Inclusion

- Web accessibility: *Canada.ca Content Style Guide*.
- Readability test: *Flesch-Kincaid online calculator*.
- For guidance on terminology: *Glossary of Terms* (the Canadian Centre for Diversity and Inclusion) and *Indigenous Peoples - A Guide to Terminology* (Indigenous Corporate Training).
